BOLOGNA

S3-Safetyshoe with sole plate for wet work

Cross the border between safety and style.

As its Italian name would suggest, the Bologna is a classically styled Brogue Business shoe that always sets the right tone. Polished black full grain leather uppers and a virtually impenetrable nitrile rubber sole allows the wearer to stroll from the office to the factory and back again, with no fuss or shoe changing. The Bologna is a lower version of the Bellagio offering additional ankle support in the shank.
