JODIE

S3-Safetyshoe with sole plate for wet work

The sportive ladies safety shoe, an anatomically better fit.

If trainers are what you prefer to wear but you need a safer shoe for work, look no further. A no compromise safety shoe that looks and feels like a classic sneaker. An attractive, feminine shoe that's supremely comfortable regardless of how hard the floor is. Jodie features EMMA's unique Hydro-Tec® Antibacterial technology, removing moisture and perspiration instantly. Anatomically designed and sculpted to the foot, the low profile shoe offers ESD certification and anti-fatigue properties, keeping you on your toes all day every day.
